## Education

**University of Texas at Austin:** Class of 2025

**Social Capital & Organizational Economics** (*Humanities Honors*)  
*Minor: Computer Science*

## Work Experience

**Front Desk Agent** – *Texas Hillel*

*Summer 2022 - Fall 2022*

- Managed building security and ensured the safety of all visitors.
- Staffed public-facing phones and email for the office, assisting visitors, and maintaining a welcoming atmosphere.
- Cultivated positive relationships with parents, alumni, and other potential donors.

**Right to Repair Campaign Director** – *Texas Public Interest Research Group*

*Fall 2021 - Fall 2022*

- Advocated for the Right to Repair movement by lobbying state and federal legislators to introduce or support pro-consumer Right to Repair legislation.
- Coordinated educational and community outreach events to raise public awareness about the Right to Repair movement and its benefits for consumers, farmers, and small businesses.

**Technical Sales Specialist** – *Iometric Systems*

*Fall 2018 - Fall 2019*

- Provided great customer service, answered questions, and made product recommendations.
- Exceeded sales goals through effective sales techniques and promotions.
- Maintained a tidy sales floor by restocking merchandise and arranging displays.

## Leadership Experience

**House Manager** – *Texas Alpha Epsilon Pi | Social Fraternity*

*Spring 2022 - Present*

- Direct and oversee all aspects of property management for a large and high-volume venue, ensuring a safe, welcoming, and functional environment for all guests and tenants.
- Coordinate maintenance, repairs, and other operational concerns for a property valued at \$7 million, ensuring the property is kept in excellent condition at all times.
- Effectively manage a \$10,000+ annual budget, allocating resources to support ongoing maintenance and improvement projects and ensure the long-term care of the property.
